Bouquet of Flavours

Fine Wines. Great Food. Stronger Futures.

Formerly known as the Creative Living Wine Tasting, Bouquet of Flavours returns in 2027, celebrating a name and tradition that have long been part of the Creative Living community.

For more than 50 years, Creative Living has provided affordable, wheelchair-accessible housing and support that empowers adults with physical disabilities to live independently, pursue their goals, and remain connected to the community.

Bouquet of Flavours brings that community together for an evening of fine wines, thoughtfully paired food, friendship, and philanthropy. More than a wine tasting, the event offers guests the opportunity to connect with Creative Living residents, families, board members, and supporters while directly investing in our mission.
